WINTER-TRIP «TOUR & REGA»

Our guides show you their city. Come with us on an interesting and unforgettable tour through Interlaken and the surrounding area with the innovative Segway!

Our tour begins at the City Hotel Oberland, and leads past the train station Interlaken West and on through the Wagneren canyon. Here we can test our mastery of Segway driving, and experience the capabilities of the Segway PT that carries us up a lengthy ascent with undiminished speed.

Other sights along the way include the Rugenbräu Brewery, the amazing ruin Unspunnen and the village centre of Wilderswil.

We drive across the RUAG Airport to the REGA, where a guided tour of 1.5 hours arranged exclusively for your group awaits you. During this impressive tour you learn everything about the history and the duties of the REGA.

Afterwards, we drive on to Bönigen and the Lake of Brienz with its enchanting, one-of-a-kind clear blue-green waters.

The end of our varied tour includes the Interlaken Castle, the Japanese Friendship Gardens and the Höhematte in the centre of town. We arrive back at our starting point after a total of 3 hours.

All Segway PTs are equipped with a winter-kit (winter tyres and light), so that you can drive safely through Interlaken and enjoy your tour to the fullest.
