SPECIAL TOUR «MYSTERYTOUR»

Come join us on a fascinating and enigmatic tour and embark on a search for the secret treasure of Captain Mike Morgan.

You start at the City Hotel Oberland on a Segway tour through the beautiful surroundings of Interlaken. Passing the Aare River we enter the picturesque town of Interlaken. From there, you have a fabulous view of the mountain backdrop of the Eiger, Mönch and Jungfrau. We continue on to the famous Neuhaus, where the Lombach Rivers flows into Lake Thun. At Neuhaus we enjoy the view of the majestic water and mountain scenery.

In the course of our tour the route leads back to Unterseen and Interlaken West train station, which we arrive at after re-crossing the Aare River. From there we return to the center of Interlaken and its famous Höhematte.

Finally we visit the Japanese Garden and the Kursaal Gardens and return to the starting point of the Segway tour. You will now find your way to the MysteryRooms, where you will await the second part of our Mystery Tour.

MysteryRooms is a fun team game that you play along with your group. Trapped in a room together, you are faced with many challenges that you must solve within an hour. Enjoy the race against time with your mind and solve puzzles and mysteries to find the treasure and escape in time.
